Subject: 738 Upper Mountain Road

Good Morning Tom,

The Action Memorandum authorizing the removal work at the 738 Upper Mountain Road Site (Talarico Bros Bldg. Corp) has been approved. In an effort to expedite the removal action I need to establish contact with the owners of the Talarico and 738 Upper Mountain Road properties as soon as possible. I have not had the opportunity to meet either of the owners yet. Instead of my "cold call" I was hoping for your assistance with establishing contact. I would to arrange for a conference call with both property owners (and you) to introduce myself and provide a synopsis of the removal plan. Would you be able to help with contacting the property owners and determine their availability for a conference call?

The following is a list of available dates and times:

- Wednesday, September 30 at 2:00 PM
- Thursday, October 1 at 11:00 AM
- Monday, October 5 at 2:00 PM

Please let me know if any of these dates and times work for you as well as the owners.

Thank you in advance for your assistance on this.

-Peter
